[Curriculum Vitae]

+234 811 888 1328 | oaomololu@gmail.com | olumideomololu.github.io

Date of Birth: 2nd August, 1995

Objective

I endeavor to succeed in stimulating and challenging environments, promoting excellence while I push the limits of what technology can achieve.

Skills & Abilities

- Computer Programming (Python, Java, C).
- Proficiency with using Git for Software version control
- Web Development (HTML, CSS, JavaScript, PHP, Python (Django, flask), Wordpress).
- Web application deployment on the Heroku platform.
- Computer Networking (CCNA Certified).
- Competency with usage of Linux Operating system (Ubuntu, Debian).
- Proficiency with databases (MySQL, PostgreSQL).
- Proficiency with usage of MATLAB computing environment.
- Competency with Microsoft Office Packages (Word, Excel, PowerPoint).
- Fluency in written and spoken English.
- Capable and effective problem solver.
- Flexible and can work in a well-coordinated team.

Experience

IT Technician (student intern) — DN Meyer PLC

[Jan 2015] – [Jul 2015]

System administration, Computer network maintenance, Troubleshooting and repair of computer systems.

Education

Covenant University — Bachelor of Engineering (BEng), Computer Engineering
(Second Class: Upper) [2011] – [2016]

Oak International College
West African Senior Secondary Certificate (WASSCE) [2009] – [2011]

Publications

Fish Classification Algorithm using Single Value Decomposition

International Journal of Innovative Research in Science, Engineering and Technology February 2016

Projects

Fish Recognition Application using Artificial Neural Networks [2016]

An application built using MATLAB that utilizes neural networks to classify fish in digital images into their respective species.

Leadership

Senior Prefect — Oak International College [2010] – [2011]

Diploma in Leadership Development — African Leadership Development Centre [2016]

Awards

Best Graduating Student — Oak International College, 2011 [2011]

Certificate of National Service — National Youth Service Corps [2017]
